

Fork Mounted Sweeper

Fork Mounted Sweeper - This particular attachment actually makes industrial sweeping tasks a lot easier to finish. The handy lift truck mounted broom is intended for use with either dry or wet material clean ups. It can squeegee water and push snow effortlessly. This accessory is frequently utilized to clean trash from construction sites, docks, parking lots, warehouses and nearly wherever it is needed. The lift truck sweeper is a low maintenance accessory which utilizes quick-tite tine products to easily mount to the lift truck.
