American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known in the business as durable and strong equipment which satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide components, warranty service and equipment for these types of scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where results and efficiency count. Recently, this floor scrubber model has been used by the architects in new construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
