

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to giving top quality and new design concepts so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy providing items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts accessible when it is required. Their high service dedication is among the core values in their customer service. Keeping their clients' cleaning machinery ready and running on a daily basis is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cleaning cost. The price, the service and the product all work together so as to make them the leader in the business.
