

Concrete Hopper

Concrete Hopper - This particular attachment is a self-dumping hopper that automatically activates to unload as bumper release contacts the side of a dumpster. As soon as unloading is finished, the hopper goes back to a locked and upright position. This piece of machinery is likewise presented along with a cable that enables operation from the seat of the lift truck in order to have the alternative of manually unloading the hopper. There is a locking chain provided to be able to lock the hopper to the fork truck. This product is constructed with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper also has a blue powder coat finish in order to maintain durability.
